

Before Starting the CoC Application

The CoC Consolidated Application is made up of two parts: the CoC Application and the CoC Priority Listing, with all of the CoC's project applications either approved and ranked, or rejected. The Collaborative Applicant is responsible for submitting both the CoC Application and the CoC Priority Listing in order for the CoC Consolidated Application to be considered complete.

The Collaborative Applicant is responsible for:

1. Reviewing the FY 2017 CoC Program Competition NOFA in its entirety for specific application and program requirements.
2. Ensuring all questions are answered completely.
3. Reviewing the FY 2017 CoC Consolidated Application Detailed Instructions, which gives additional information for each question.
4. Ensuring all imported responses in the application are fully reviewed and updated as needed.
5. The Collaborative Applicant must review and utilize responses provided by project applicants in their Project Applications.
6. Some questions require the Collaborative Applicant to attach documentation to receive credit for the question. This will be identified in the question.

- Note: For some questions, HUD has provided documents to assist Collaborative Applicants in filling out responses. These are noted in the application.

The CoC holds monthly Advisory Board meetings, open discussion focused on homeless issues is part of each meeting. These meetings are held at a single location, at the same time and on the same day of each month. These meetings are announced via email to all individuals and agencies that have previously expressed any interest in being involved in or informed about the process. The time and location of these meetings are well known within the community. Staff of the CoC lead agency regularly encourage attendance when presenting to groups, meeting with interested parties, and by making announcements at other community meetings.

1B-2. Describe the CoC's open invitation process for soliciting new members, including any special outreach. (limit 1000 characters)

The CoC actively seeks and accepts new members year-round. Staff of the CoC lead agency regularly encourage membership when presenting to groups, meeting with interested parties, and by making announcements at other community meetings.

1B-3. Announcements were made at various community meetings throughout August and early September.

1C. Continuum of Care (CoC) Coordination

Instructions:

For guidance on completing this application, please reference the FY 2017 CoC Application Detailed Instructions and the FY 2017 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

1C-1. Using the chart below, identify the Federal, State, Local, Private and Other organizations that serve homeless individuals, families, unaccompanied youth, persons who are fleeing domestic violence, or those at risk of homelessness that are included in the CoCs coordination; planning and operation of projects. Only select "Not Applicable" if the funding source(s) do not exist in the CoC's geographic area.

Entities or Organizations the CoC coordinates planning and operation of projects	Coordinates with Planning and Operation of Projects
Housing Opportunities for Persons with AIDS (HOPWA)	Yes
Temporary Assistance for Needy Families (TANF)	No
Runaway and Homeless Youth (RHY)	Not Applicable

Other:(limit 50 characters)	

1C-2. Describe how the CoC actively consults with Emergency Solutions Grant (ESG) recipient’s in the planning and allocation of ESG funds. Include in the response: (1) the interactions that occur between the CoC and the ESG Recipients in the planning and allocation of funds; (2) the CoCs participation in the local Consolidated Plan jurisdiction(s) process by providing Point-in-Time (PIT) and Housing Inventory Count (HIC) data to the Consolidated Plan jurisdictions; and (3) how the CoC ensures local homelessness information is clearly communicated and addressed in Consolidated Plan updates. (limit 1000 characters)

CoC consults with ESG recipient, City of Chattanooga, on: the list of projects to be funded to ensure that they are consistent with CoC priorities and needs, and works with the recipient to ensure ESG subrecipient participation in the

Coordinated Entry process. ESG recipient presented the Consolidated plan to the CoC Advisory Council(monthly open community meeting) and took comments from attendees. CoC representatives participate in community meetings of the ESG recipient, Tennessee Housing Development Corporation (THDA) where the Consolidated Plan is discussed. CoC provided PIT and HIC data to all Consolidated Plan jurisdictions.

1C-3. CoCs must demonstrate the local efforts to address the unique needs of persons, and their families, fleeing domestic violence that includes access to housing and services that prioritizes safety and confidentiality of program participants. (limit 1000 characters)

The CoC has a strong network of services for those fleeing domestic violence including several emergency shelters with DV specific services, safe houses, DV dedicated transitional housing, and dedicated PSH. These services will be expanded through the addition of a new TH-RRH program in FY 2017. In addition the community has established a new facility "Family Justice Center" with multiple funding streams and co-located DV services including case management, legal aid, educational resources, and safety planning. The Coordinated Entry System is beginning to utilize anonymous identifiers created by DV specific assessment centers utilizing a comparable Coordinated Entry "By-Name_List".

1C-3a. CoCs must describe the following: (1) how regular training is provided to CoC providers and operators of coordinated entry processes that addresses best practices in serving survivors of domestic violence; (2) how the CoC uses statistics and other available data about domestic violence, including aggregate data from comparable databases, as appropriate, to assess the scope of community needs related to domestic violence and homelessness; and (3) the CoC safety and planning protocols and how they are included in the coordinated assessment. (limit 1,000 characters)

Assessors are trained in Trauma Informed Care as it is applicable to the assessment process. Those actively fleeing domestic violence are immediately referred to DV specific resources and assessments are not entered into HMIS as is the case with other homeless populations. The Family Justice Center recently conducted an extensive needs/service gaps analysis utilizing surveys of agency staff and clients as well as data from the HMIS comparable database to evaluate programs and identify service gaps. The Coordinated Entry System is beginning to utilize anonymous identifiers created by DV specific assessment centers utilizing a comparable Coordinated Entry "By-Name_List". Non-DV specific program staff conducting assessments are trained to not enter any data into HMIS for those actively fleeing DV, but to use a paper form and/or connect the individual with a DV specific assessment center.

1C-4. Using the chart provided, for each of the Public Housing Agency's (PHA) in the CoC's geographic area: (1) identify the percentage of new admissions to the Public Housing or Housing Choice Voucher (HCV)

Programs in the PHA's that were homeless at the time of admission; and (2) indicate whether the PHA has a homeless admission preference in its Public Housing and/or HCV program.

Attachment Required: If the CoC selected, "Yes-Public Housing", "Yes-HCV" or "Yes-Both", attach an excerpt from the PHA(s) written policies or a letter from the PHA(s) that addresses homeless preference.

Public Housing Agency Name	% New Admissions into Public Housing and Housing Choice Voucher Program during FY 2016 who were homeless at entry	PHA has General or Limited Homeless Preference

Southeast Tennessee Human Resource Agency	4.00%	No
Dayton Housing Authority	0.00%	No
Cleveland Housing Authority	0.00%	No
South Pittsburg Housing Authority	0.00%	Yes-Public Housing

If you select "Yes--Public Housing," "Yes--HCV," or "Yes--Both" for "PHA has general or limited homeless preference," you must attach documentation of the preference from the PHA in order to receive credit.

1C-4a. For each PHA where there is not a homeless admission preference in their written policies, identify the steps the CoC has taken to encourage the PHA to adopt such a policy. (limit 1000 characters)

The CoC did not actively engage with these PHAs during the FY 2016 time frame.

1C-5. Describe the actions the CoC has taken to: (1) address the needs of Lesbian, Gay, Bisexual, Transgender (LGBT) individuals and their families experiencing homelessness, (2) conduct regular CoC-wide training with providers on how to effectively implement the Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity, including Gender Identify Equal Access to Housing, Fina Rule; and (3) implementation of an anti-discrimination policy. 2B-2. Enter the date the CoC submitted the PIT count data in HDX. (mm/dd/yyyy) 05/05/2017

2C. Continuum of Care (CoC) Point-in-Time (PIT) Count: Methodologies

Instructions:

For guidance on completing this application, please reference the FY 2017 CoC Application Detailed Instructions and the FY 2017 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

2C-1. Describe any change in the CoC’s sheltered PIT count implementation, including methodology and data quality changes from 2016 to 2017. Specifically, how those changes impacted the CoCs sheltered PIT count results. (limit 1000 characters)

Changed from individual in-person surveys to HMIS shelter stay data. This improved the accuracy of the sheltered PIT count. This has been a goal of the CoC for the last several years, but in previous years we did not have high enough data quality for Universal Data Element completeness from the ES providers to ensure accurate de-duplication. Ongoing data entry training and expanding the use of barcode scanning for ES check-in has made this improvement possible.

2C-2. Did your CoC change its provider coverage in the 2017 sheltered count? No

2C-2a. If “Yes” was selected in 2C-2, enter the change in provider coverage in the 2017 sheltered PIT count, including the number of beds added or removed due to the change.

Beds Added:	0
Beds Removed:	0
Total:	0

2C-3. Did your CoC add or remove emergency shelter, transitional housing, or Safe-Haven inventory because of funding specific to a Presidentially declared disaster resulting in a change to the CoC's 2017 sheltered PIT count? No

2C-3a. If "Yes" was selected in 2C-3, enter the number of beds that were added or removed in 2017 because of a Presidentially declared disaster.

Beds Added:	0
Beds Removed:	0

Total:	0
--------	---

2C-4. Did the CoC change its unsheltered PIT count implementation, including methodology and data quality changes from 2016 to 2017? No

CoCs that did not conduct an unsheltered count in 2016 or did not report unsheltered PIT count data to HUD in 2016 should compare their efforts in 2017 to their efforts in 2015.

2C-4a. Describe any change in the CoC’s unsheltered PIT count implementation, including methodology and data quality changes from 2016 to 2017. Specify how those changes impacted the CoC’s unsheltered PIT count results. See Detailed Instructions for more information. (limit 1000 characters)

No implementation changes in unsheltered PIT count.

2C-5. Did the CoC implement specific measures to identify youth in their PIT count? Yes

2C-5a. If "Yes" was selected in 2C-5, describe the specific measures the CoC; (1) took to identify homeless youth in the PIT count; (2) during the planning process, how stakeholders that serve homeless youth were engaged; (3) how homeless youth were engaged/involved; and (4) how the CoC worked with stakeholders to select locations where homeless youth are most likely to be identified. (limit 1000 characters)

Surveyors were trained to ask about age early in the survey process and the survey form was designed to reinforce this practice. They were also use a Youth specific addendum to the the survey form when homeless youth were identified. Homeless youth were not engaged in the planning process. Agencies that serve or may come into contact with homeless youth were queried regarding possible unsheltered locations frequented by homeless youth sop that those locations could be targeted by surveyors in the youth age group.

2C-6. Describe any actions the CoC implemented in its 2017 PIT count to better count individuals and families experiencing chronic homelessness, families with children, and Veterans experiencing homelessness. (limit 1000 characters)

Survey form was designed to identify these groups by asking questions about household composition, length of time homeless, number of episodes of homelessness in the last three years, disability and veteran status. A separate survey form was used for families with children to better maintain the integrity of this data.

3A. Continuum of Care (CoC) System Performance

Instructions

For guidance on completing this application, please reference the FY 2017 CoC Application Detailed Instructions and the FY 2017 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

**3A-1. Performance Measure: Reduction in the Number of First-Time Homeless. Describe: (1) the numerical change the CoC experienced; (2) the process the CoC used to identify risk factors of becoming homeless for the first time; (3) the strategies in place to address individuals and families at risk of becoming homeless; and (4) the organization or position that is responsible for overseeing the CoC's strategy to reduce or end the number of individuals and families experiencing homelessness for the first time.
(limit 1000 characters)**

1. Increase of 34 (105 including PH projects) 2. The CoC has not implemented a process for identifying local risk factors of First-time Homelessness. 3. The COC has prevention funds through several units of local government and SSVF as well as several privately funded agencies. Coordinated Entry training includes diversion to these programs as well other resources available through 211 system. Two 211 systems are operated by United Way within the CoC area. Both of these maintain a database of currently available resources for the unstably housed including food, utility, and life skill assistance. Several home energy conservation and home weatherization programs operate within the CoC and are available through 211 call center referral. Multiple agencies offer job training/placement and computer skills training to low-income individuals. 4. Chattanooga Regional Homeless is responsible for overseeing the strategy to reduce First-Time Homelessness.

**3A-2. Performance Measure: Length-of-Time Homeless. CoC 's must demonstrate how they reduce the length-of-time for individuals and families remaining homeless. Describe (1) the numerical change the CoC experienced; (2) the actions the CoC has implemented to reduce the length-of-time individuals and families remain homeless; (3) how the CoC identifies and houses individuals and families with the longest length-of-time homeless; and (4) identify the organization or position that is responsible for overseeing the CoC's strategy to reduce the length-of-time individuals and families remain homeless.
(limit 1000 characters)**

The CoC has experienced a reduction in Average LOTH of greater than 50%, Median LOTH has remained stable. Implementation of a Coordinated Entry System and By-Name-List that utilizes LOTH in the referral prioritization process has ensured that those with longer histories of homelessness are referred into PSH and has increased the consistency of follow-through on those

referrals. Significant expansion and coordination of street outreach has enable more consistent contact with the CoC's large unsheltered population. The Chattanooga Regional Homeless Coalition is responsible for oversight of the strategy to reduce LOTH.

3A-3. Performance Measures: Successful Permanent Housing Placement and Retention

Describe: (1) the numerical change the CoC experienced; (2) the CoCs strategy to increase the rate of which individuals and families move to permanent housing destination or retain permanent housing; and (3) the organization or position responsible for overseeing the CoC's strategy for retention of, or placement in permanent housing. (limit 1000 characters)

PH Placement and Retention remained stable. The CoC strategy to increase PH Placement and Retention is to ensure, through training and program monitoring, that case managers and program directors are implementing data proven PH best practices including; Housing First, Trauma-Informed Care, Motivational Interviewing, and Harm Reduction. Ensuring that program directors understand the importance of Low/No Barriers to program entry as well as case management and staffing best practices. The Chattanooga Regional Homeless Coalition is responsible for oversight of this strategy.

3A-4. Performance Measure: Returns to Homelessness.

Describe: (1) the numerical change the CoC experienced, (2) what strategies the CoC implemented to identify individuals and families who return to homelessness, (3) the strategies the CoC will use to reduce additional returns to homelessness, and (4) the organization or position responsible for overseeing the CoC's efforts to reduce the rate of individuals and families' returns to homelessness. (limit 1000 characters)

The CoC experienced a 14% rate of returns to homelessness over 24 months. The Coordinated Entry System's By-Name-List utilizes weekly HMIS reports and case conferencing to identify returns to homelessness. The CoC will reduce returns to homelessness through: more advance training of PH case managers in recognized best practices including Housing First, Trauma Informed Care, Motivational Interviewing, and Harm Reduction. The CoC will also work with providers to ensure that appropriately intensive follow-up case management occurs after PH/placement program exit including ensuring that all mainstream resources the participant is eligible for have been secured and the participant is able to effectively access those resources. The Chattanooga Regional Homeless Coalition is responsible for oversight of the strategy to reduce returns to homelessness.

3A-5. Performance Measures: Job and Income Growth

Describe: (1) the strategies that have been implemented to increase access to employment and mainstream benefits; (2) how the CoC program-funded projects have been assisted to implement the strategies; (3) how the CoC is working with mainstream employment organizations to help individuals and families increase their cash income; and (4) the

**organization or position that is responsible for overseeing the CoC’s strategy to increase job and income growth from employment, non-employment including mainstream benefits.
(limit 1000 characters)**

Several CoC programs focus on job search skills and providing job search assistance.
